2001 SIXTH ANNUAL DR PEPPER BIG 12 FOOTBALL CHAMPIONSHIP

COLORADO VS. TEXAS

Dec. 1, 2001 • Texas Stadium • Irving, Texas

Head Coach Gary Barnett

Opening Remarks: "It's hard to be creative in these situations because so many people have said so many things about their teams after games like this. What an unbelievable group of players and what unbelievable heart. We've had the success we've had this year because we've played the way teams should play. We have great resolve and spirit on this team. Nothing is more fun than to be a part of something like this."

On Chris Brown: "This was a Chris Brown kind of game. I don't know how many yards he had, but he was a horse out there tonight and he has been for two weeks. But we had great contributions from so many guys tonight."

On Fresno State game: "We don't think about Fresno State. We just play our game and leave it up to others to decide who we're going to play. Nobody's playing better than we are right now. We're one heck of a football team."

On interception off of fake punt: "That's something we've worked on in practice every day. We had it lined up right where we wanted it, we just didn't execute the darn thing. Any other team probably would have folded after something like that, but this team has so much heart, we just looked at each other and said "We don't care."

RB Chris Brown:

On the Colorado offensive line: "I think they are the best in the country. They were clicking on all cylinders today. "

On the difference between this and the previous Texas game: "The biggest thing was the turnovers. We didn't beat ourselves. We did what we had to do to win today."

JS Michael Lewis:

Comparing this win to the Nebraska win: "We were on a mission. The Nebraska game was a great victory, but we knew we had to get to Dallas and win. "

On CU Rose Bowl chances: "All we can do is go out and play who they put in front of us. We'll leave everything else to the BCS. We just took care of what we could control. Guys made big plays."

On bowl possibilities: "Wherever we go play, Fiesta Bowl or wherever, we're happy with this."

On Big 12 trophy presentation: "They presented the trophy and it was like a big relief for all of us."

QB Bobby Pesavento:

On the end of the game: "My first thought was We Did It. We knew we were capable of it. We fought hard for 60 minutes."

On playing Texas the second time: "We've been in situations all year with obstacles to overcome. This was just another piece of adversity we had to overcome."

LB Sean Tufts:

On Chris Simms: "We felt that if we gave him different looks, he (Simms) was going to throw some bad balls and he did."

TEXAS QUOTES

Head Coach Mack Brown:

On the game:

"I would like to congratulate Colorado. This was a great college football game. They continued to fight and they fought well. We tried the onside kick and it did not go well. Colorado is a great football team, and we saw that last week. I couldn't be more proud of this group. They played hard. Major was phenomenal coming in. I was proud of the offense for hanging in there and proud of the defense in the second half. These kids have won 10 games and are going to go to a nice bowl. I am proud that they are so bothered by this loss. We did not lose, we ran out of time. The Big 12 should be proud. There were two great teams that played their guts out tonight."

On the attempted block punt:

"Last week we blocked a punt and won the game. We wanted to be aggressive."

On Chris Simms:

"He dislocated his finger. It was his throwing hand, the left. That is why he came out. In regards to the turnovers, I would not pass judgement until we see what happened. Even great players have bad days."

On the loss:

"We take every game hard. Our team played as hard as they could play. I am sorry for the kids and I am sorry for the seniors. I have never seen kids so excited about a game. I am proud of this football team."

Sophomore Wide Receiver Roy Williams:

On General Feeling of the Team after the loss:

"We went into the game feeling real good, but you can't win with turnovers. We played hard in the second half and tried to turn things around. We were down by eighteen and lost by two, my credit goes to the defense in the second half."

Senior Quarterback Major Applewhite:

On coming into the game behind:

"It was a group effort. I don't want to pin the blame on anyone. As an offense we did not do what we had to do. I had a sack and took us out of field goal range. We had so many opportunities to get back into this ballgame and we did not get it done. You cannot put it on the coaches, you can put it on the players, we did not get it done."

On the future:

"I can't think about that right now, I don't think that UT has won 11 games in a long time. We have a chance to do it and we are going to do it."

Senior Linebacker D.D. Lewis:

On handling Colorado's rushing game:

"It was just missed tackles, we fought our butts off and their backs just made great runs. That is what it came down to."

COLORADO VS. TEXAS

Dec. 1, 2001 • Texas Stadium • Irving, Texas

TEXAS QUOTES

Senior Offensive Guard Antwan Kirk-Hughes

On losing to Colorado:

"As a senior this a tough one to swallow. It has been a roller coaster ride. We just made too many mistakes. You can't turn the ball over like that and expect to win."

Junior Quarterback Chris Simms:

On his injury:

"I dislocated it (finger). It is a finger that I have hurt before. It came out of its socket, but it pops back in pretty easily. It swelled up, but it is alright."

When did you hurt it:

"I hit someone's hand when I was throwing the ball. It is the second time it has happened this year. It is one of those things that seems to keep happening."

On his performance:

"I felt great. I came out and we moved the ball real well. I was real confident, and then I had an out-route to Bo Scaife. I kind of got blinded and threw it behind him, and it kind of started the onslaught after that. I never got into a rhythm after that. I blew a big opportunity for us. I am stunned with how it turned out. We have a great team. We had a chance to maybe go to the Rose Bowl today, and I let a lot of people down. I let down possibly one of the greatest senior classes here at Texas. I just did not play well."

On possible quarterback controversy:

"I put myself into this position. The coaches are going to do whatever is best for the team and so will I. It is just part of being a quarterback."

Sophomore Wide Receiver B.J. Johnson:

On losing to Colorado:

"Losing a game like this is tough. We got behind early, and we fought hard and fought back. We tried to get ourselves back to a chance to win, but it just did not happen. I really think we had a chance at playing for the national championship. I believe had we won this game, we would have made the trip to Pasadena."

On the play of Chris Simms:

"It is tough on any quarterback to throw the picks that he had today. He has to keep his head up. It is going to happen. Unfortunately, it happened in this game. He is still a great quarterback, and we still want to keep going with him."

Senior Cornerback Quentin Jammer:

On the possibility of having played for the National Championship:

"There is no telling what would have happened had we won the game. This loss is hard. We were expecting so many things after getting a win. We didn't get that win. We just have to focus on our next game. Turnovers killed us. You wish you could get those back, but you can't."

COLORADO FOOTBALL / Buffalo Postgame Notes

Colorado Buffaloes vs. Texas Longhorns (BIG 12 CHAMPIONSHIP—December 1, 2001; Texas Stadium, Irving, Texas)

- ◆ **CU Today:** Georgia 81, Colorado 73 (men's hoops); CSU 3, CU 2 (women's volleyball).
- ◆ **Joe Ellis** of the Denver Broncos and **Mac Freeman** of Stadium Management Group (which runs Invesco) were present tonight as they are working with CU to prepare a big to host the 2004 Big12 Championship game.
- ◆ Colorado was officially invited to the Fiesta Bowl following the game in the lockerroom, unless the 10-2 Buffaloes somehow sneak into the Rose Bowl picture (an obvious long shot, but CU has defeated BCS #1 and #3 the last two games).
- ◆ The Buffs are now 5-1 against ranked teams in 2001, tying their most wins over ranked teams in a single season (1990-94-95).
- ◆ **ILB Aaron Killion's** 73-yard interception return in the first quarter was the first INT of his career. It was the longest since Steve Rosga returned one for a 100 yards against Oklahoma State on Oct. 12, 1996.
- ◆ **FS Medford Moorer's** 64-interception return in the second quarter was the first INT of his career; in taking it back for a touchdown, he became the ninth CU player to return his first career pick for a score (**Donald Strickland** did it earlier this year against CSU). It was the fourth INT returned for a score by CU in 2001, a school record (topping three in 1972 and 1997).
- ◆ Colorado had 160 return yards tonight to finish with 854 for the season, its third most of all-time. The 1967 team had 931 and the 1990 team 864.
- ◆ **TE Daniel Graham** caught one pass for 22 yards (but had a truckload of domination blocks, an estimated 12-15 by the TE coach John Wristen). He winds up with 51 catches for the season (for 753 yards and 6 TDs), tying Jon Embree (1983-86) for the most in a single season by a tight end.
- ◆ **PK Jeremy Flores** set a CU single season record for field goals made in a regular season with 18; he came in tied with **Jeremy Aldrich**, who made 16 in both 1998 and 1999.
- ◆ Colorado scored a touchdown after all four of UT's first half turnovers; coming in, CU had 68 points off of 20 opponent miscues; this was the most points this year off errors in a single game for the Buffs.
- ◆ This is Colorado's seventh 10-win season: 1971 (10-2), 1989 (11-1), 1990 (11-1-1), 1994 (11-1), 1995 (10-2), 1996 (10-2), 2001 (10-2). At 10-2, Colorado is now +6½ over its record of a year ago (3-8) and has the NCAA's Most Improved Record at this point; there are a few games to go next Saturday and bowl games do count in the tabulation.
- ◆ **COLORADO INJURIES:** QB Bobby Pesavento (sprained knee), TB Chris Brown (sprained ankle).
- ◆ **TB Chris Brown.** His two-game totals, against BCS #1 Nebraska (24-198, 6 TD) and #3 Texas (33-182, 3 TD) are an eye-popping 57 carries for 380 yards (6.7 per rush) and 9 touchdowns.
- ◆ Colorado had 223 rushing yards and 111 passing yards to finish the year with 2,742 rushing and 2,471 passing, or averages of 228.5 and 205.9, respectively, the third time in school history the Buffs averaged over 200 in both for a single season. Only 10 other teams in the NCAA are currently accomplishing the same feat (as of Nov. 24 games: BYU, East Carolina, Maryland, Miami-Fla., Middle Tennessee, Minnesota, Nevada, Oregon, Toledo and Utah).
- ◆ Colorado is now 11-10 all-time in Texas, including 2-1 in Dallas.
- ◆ Colorado ran 72 plays tonight, with the 886 for the year a school record (old: 861 in 1975). With 18 first downs, the 261 for the year are also a school best (old: 260 in 1995).
- ◆ **TB Bobby Purify's** 51-yard second quarter run was the longest run of the year by a Buffalo (he had the previous high—44 against Nebraska).
- ◆ **WR/KR Roman Hollowell** set a school record for punt return average for a single year (29 for 522, 18.0); the old record was 16.6 by Charlie Greer in 1965.
- ◆ With **TB Chris Brown** (946) and **TB Bobby Purify** (916) both rushing for over 900 yards this year, it is the second time two Buffs have topped that mark in the same year. J.J. Flannigan (1,187) and Darian Hagan (1,004) did it in 1989.
